CORAM: G.S. PATEL, J

DATED: 4th May 2016

PC:-

1. Mr. Kapoor tenders a compilation containing the documents that were pending. The compilation is taken on record and marked “X” for identification. These were noted in Mr. Hareendran’s scrutiny report dated 14th March 2016. That report is taken on record and marked “X1” for identification.

2. The adoptive parents of the minor Kartik are of Indian origin from the US. I have seen the medical report of the child. He has a minor lower respiratory tract infection. The adoptive parents are aware of this. I have also seen the child care arrangement plan, the home study report as also the medical and other reports relating to minor. I am satisfied that this Petition deserved to be granted.

3. In view thereof, the Judge's Order is separately signed.
