CORAM: G.S. PATEL, J
DATED: 4th April 2016

PC:-

1. The Notice of Motion seeks that a delay of 10 days in filing the Caveat be condoned. On the last occasion when the matter was taken up, the Affidavit in Support of the Notice of Motion was not then ready. It has since been prepared.

2. In view thereof, and for the reasons set out in the Affidavit in Support, the present Notice of Motion is made absolute in terms of prayer clause (a).

3. Affidavit in Support of the Caveat to be filed and served on or before 7th April 2016. All office objections will also be removed by that date. In default, the Caveat will stand dismissed forthwith without further reference to the Court and will not thereafter be restored under any circumstances. No extensions of time are permitted.

4. Only since the Affidavit in Support is now ready and since the Advocate for the Defendants/Caveators specifically agrees to comply with these directions as to time and further agrees and undertakes not to even seek an extension of time under any circumstances, there will be no order as to costs.
