Mr. Shailendra Singh i/b. M/s. J. P.
Consultia for respondent no. 3.

DATED :- MARCH 30, 2016

If the structures are already demolished and after the ad-interim relief was refused, then, the petition is rendered infructuous. If the petitioner has any other grievance and particularly in relation to any payment of the compensation in lieu of transit accommodation, the petitioner shall take that grievance with appropriate authority and equally with the developer. With liberty to pursue that grievance and claim, we dispose of this writ petition.
