CALLED FOR DIRECTION:

4. Chol 154-2016 Mr. M.B. Kale i/b O M Gujar Law Chambers,
EXA 1217-2014 Advocate for Claimants/Decree Holders.
ARN. CASE NO.
ARBIT-LOT- NO. 36/1120

P.C.: This Chamber Order is taken out for deleting the address of Respondent/Judgement Debtor from column 'J' of Execution Application and to add new address as mentioned in Schedule annexed to the Chamber Order as well as for consequential amendment.

Perused Affidavit in Support of Chamber Order. It is, inter alia, mentioned in the said Affidavit that at the time of attempting execution of Warrant of Attachment, it came to know to the Decree Holder that incorrect address of Respondent has been mentioned in column 'J' of Execution Application and, therefore, it is stated that his correct address which is mentioned in para - 9, should be taken as correct address of Judgement Debtor and, therefore, applicant has sought for amendment in column 'J' of Execution Application.

Advocate for Claimants states that address at present mentioned in column 'J' of Execution Application is the address which is given by the Judgement Debtor in all correspondence as well as documents filed with the Company and, therefore, said address was mentioned in column 'J' of Execution Application but now the Decree Holder came to know about the address as mentioned in para - 9 of the Affidavit in Support. He also states that Judgement Debtor is aware about the Award passed in the matter.

It is informed that the said Execution Application is pending till date.

Chamber Order allowed. Signed separately.
