Civil Application No.240 of 2013 :

Heard Shri Choudhary, the learned counsel for the applicants/appellants. There is a delay of 466 days caused in filing an application for restoration of second appeal. Notices were issued to all the respondents along with the legal heirs of the deceased-respondents. All the parties are served. No reply is filed. The averments made in the application have not been denied.

After going through the contents of the application, which remain uncontroverted, I am satisfied that a sufficient cause is made out for condonation of delay. Hence, the

application is allowed. The delay caused is condoned.

The civil application is disposed of.
