CORAM : A.S. CHANDURKAR, J.

DATE : 07th October, 2016

The claimant seeks modification of order dated 24th August, 2015 and seeks permission to withdraw fifty per cent of the amount deposited on furnishing solvent security.

In the application, it is stated that it has not been possible for him to arrange solvent surety for fifty per cent of the amount deposited. It is, therefore, prayed that in addition to solvent surety, he be permitted to withdraw said amount by furnishing solvent security.

The application is opposed by learned counsel for the appellant on the ground that the compensation awarded is on the higher side.

The order granting permission to withdraw the amount of compensation was passed after hearing both sides. Considering averments made in the application, the claimant is permitted to withdraw the remaining fifty per cent amount on furnishing solvent security, in addition to solvent surety, as directed. Order stands modified accordingly.

Civil Application is disposed of.
