The learned counsel for the petitioners states that since some of the conditions in the rules for admission to the engineering course for the year 2015-16 are challenged in these writ petitions and since the process of admission is complete, the cause for filing the writ petitions will not survive. The learned counsel states that though the cause may not survive, the issue involved in these cases would still survive as the same is

not adjudicated upon.

In view of the statement made by the learned counsel, we dispose of the writ petitions with no order as to costs. The points raised in the petitions are however, kept open.
