The civil application is filed in the year 2011 for directions. It is not in dispute that the petitioner is paid certain amount towards monthly pension. However, according to the petitioner, the petitioner is entitled to a larger amount towards monthly pension, which the respondents – Insurance Company is illegally not releasing on the ground that the petitioner was paid retiral dues in excess and the excess amount is being adjusted towards the monthly pension, that is, released in favour of the petitioner.

The issue involved in this civil application cannot be decided without hearing the writ petition in its entirety. Hence, we dispose of the civil application. The writ petition may be listed for final hearing in the week commencing 26.09.2016 at the end of the admission board.
