DATE : 05.01.2016

By this petition, the petitioner Society seeks a direction to the respondent No.3 Amravati University to consider the proposal of the petitioner and forward the same to the State Government after permitting the petitioner to remove the deficiencies.

Smt. Dangre, the learned Government Pleader states that the petition suffers from laches in as much as, the proposal of the petitioner was not forwarded by the Amravati University to the State Government in the year 2010 and as the petitioner had failed to remove several deficiencies. It is stated that if the petitioner is desirous of starting a new college, the petitioner may file an application, in accordance with law.

We find much substance in the preliminary objection raised on behalf of the respondent Nos.1 and 2 that the deficiencies in the proposal of the petitioner are of the year

2010. The petitioner ought to have either removed those deficiencies or approached this Court within a reasonable time. The writ petition has been filed on 15/09/2015 in respect of a proposal submitted in the month of October 2010. No direction can be issued either to the University or to the State Government to consider the said proposal of the petitioner.

The petition is dismissed with no order as to costs.
