and, therefore, it deserves to be allowed.

delay is condoned.

Civil Application [CAF] No.890/2016 :

Heard.

The impugned judgment and order shows that the
Executive Engineer, Minor Irrigation Division, Washim was
party to the proceedings before the Reference Court. The
impugned judgment and order has been passed in a reference,
which was of the year 2015 when the Vidarbha Irrigation
Development Corporation was already in existence and as a
matter of record, there was no such entity in existence as
'Minor Irrigation Division, Washim' of its own and
independently of the Vidarbha Irrigation Development
Corporation and, therefore, *prima facie* it appears that in the
reference itself, the V.I.D.C. should have been joined as a

party-respondent.

According to the applicant, enhancement is on the higher side and this is going to be the first appeal in law. For these reasons, I am of the view that this application deserves to be allowed.

The application is allowed. Leave to file the appeal is granted. The appeal be registered.

The application is disposed of.
