CIVIL APPLN. (O) NO. 2076 OF 2016

The delay in filing the miscellaneous civil application is
condoned. The civil application is allowed and disposed of.

M.C.A. ST. NO. 22734 OF 2016

The learned counsel for the applicant states that the order that is sought to be reviewed should be reviewed only to the extent that the same should be recalled and the petitioner should be permitted to withdraw the writ petition.

We are not inclined to grant the relief claimed by the applicant. If this is granted, the orders in the petitions which we have already disposed of on merits and dismissed would be recalled, on a request made by the petitioner and they would be permitted to be withdrawn. The applicant should have thought twice before the court

rendered the order that is sought to be reviewed and before the same was passed, it ought to have sought permission to withdraw the writ petition. The payer made in the miscellaneous civil application stands rejected.
