The learned Counsel for the petitioners states that after filing of the writ petition, the learned Counsel could lay hand on some decisions rendered by the Hon'ble Supreme Court that the permission from the Indian Nursing Council would not be necessary for enhancement of the intake capacity and it would be enough if the Maharashtra Nursing Council grants permission to increase the same. It is stated that in view of the law laid down by the Hon'ble Supreme Court, the petitioner would take appropriate steps and it would not be necessary for the petitioners to prosecute the writ petition.

In view of the aforesaid statements, we dispose of the writ petition with no order as to costs.
