On perusal of the pleadings, it appears that there is a factual conflict as the Block Development Officer states that on a complaint of the petitioner, necessary action was taken to clear the water channel, but this position is disputed by the

petitioner.

2.Let the District Collector / first respondent look into the issue and after due verifications, submit a report qua removal of encroachment with the site plan and photographs, at least three (3) days prior to the next date, with advance copy to learned counsel for the petitioner.
