According to the petitioner, when the Certificate Verification was held on 22.06.2016, the respondents refused to take into account the certificates for the year 2012-14 and the reason given by them is that the State Association, pursuant to its application in April 2014, came to be recognised by SDAT in January 2015. It is contended that the petitioner, as a sportsman, though participated in various events and won medals, his rightful claim has not been taken into consideration and hence, came forward with this writ petition.
