This petition is filed seeking to condone the delay of three days in filing the Second Appeal against the judgment of the III Additional Sub-Court, Cuddalore in AS.No.18 of 2012.

Having regard to the meagre number of days and having regard to the explanation offered for the said delay, I am inclined to condone the delay even without ordering notice to the respondent.

Accordingly, this petition is allowed and the delay of three days in filing the second appeal is condoned.
