ORDER

[Order of the Court was made by S.NAGAMUTHU,J]

The petitioner is the father of one Nivedha Priya aged 21 years. On the allegation that she has been found missing from 17.3.2016 onwards, the petitioner has come up with the present Habeas Corpus Petition.

2. When the matter came up for admission today, the learned Additional Public Prosecutor submitted that on an earlier occasion that is on 05.1.2016, prior to the present occurrence, the detainee eloped with the second respondent. On a complaint made by the petitioner, she was secured and handed over to the petitioner. Again, now she has eloped with the second respondent.

3. The said statement is recorded. From the conduct of the detainee, it is inferable that it is not a case of abduction, but it is only a case of elopement and obviously, there is no illegal detention. Therefore, no relief as prayed for could be granted. Hence, the petition is dismissed.
