APPEAL under Section 260A of the Income Tax Act, 1961 against the order dated 16.10.2015 made in I.T.A.No.1700/Mds/2015 on the file of the Income Tax Appellate Tribunal 'B' Bench, Chennai for the assessment year 2011-12 against the order of the Commissioner of Income Tax (Appeals)-3, Coimbatore, dt. 24.04.2015 in I.T.Appeal No.449/2014-2015;

against the order of the Deputy Commissioner of Income Tax, Campany Circle, Tirupur dt.25.03.2014 in P.A.No./GIR No.AABCM 4722 B for the Assessment year 20.1.2012;

For Appellant : Mr.T.R.Senthilkumar

Judgment was delivered by V.RAMASUBRAMANIAN, J

The Revenue has come up with the above appeal raising the following substantial questions of law :

"(1) Whether on the facts and circumstances of the case, the Income Tax Appellate Tribunal was right in law in holding that the assessee is entitled to deduction under Section 80IA without setting off the losses/unabsorbed depreciation pertaining to the windmill, which were set off in the earlier year against other business income of the assessee following the decision of the jurisdictional High Court in the case of M/s.Velayudhaswamy Spinning Mills (340 ITR 477), when the same

is pending appeal before the Hon'ble Supreme Court in SLP. Civil No.1136 of 2011 ? and

(2) Whether under the facts and circumstances of the case, the Income Tax Appellate Tribunal was correct in holding that the initial assessment year in Section 80IA(5) would only mean the year of claim of deduction under Section 80IA and not the year of commencement of eligible business ?"

2. Heard Mr.T.R.Senthilkumar, learned Standing Counsel for the Department.

3. Even according to the learned Standing Counsel for the Department, this Court has consistently followed the decision in M/s.Velayudhaswamy Spinning Mills (340 ITR 477), despite the Honourable Supreme Court ordering notice.

4. Interestingly, on the basis of the decision in Velayudhaswamy Spinning Mills, the Central Board of Direct Taxes has issued Circular No.1/ 2016 dated 15.2.2016. It will be useful to extract the circular in entirety, which is as follows :

"Circular No. 1 /2016

Government of India

Ministry of Finance

Department of Revenue

Central Board of Direct Taxes

North Block, New Delhi, the 15th February,
2016

Subject: Clarification of the term 'initial assessment year' in Section 80IA(5) of the Income Tax Act, 1961

Section 80IA of the Income-tax Act, 1961 ('Act'), as substituted by Finance Act, 1999 with effect from 1.4.2000, provides for deduction of an amount equal to 100% of the profits and gains derived by an undertaking or enterprise from an eligible business (as referred to in Sub-Section (4) of that Section) in accordance with the prescribed provisions. Sub-Section (2) of Section 80IA further provides that the aforesaid deduction can be claimed by the assessee, at his option, for any ten consecutive assessment years out of fifteen years (twenty years in certain cases) beginning from the year in which the undertaking commences operation, begins development or starts providing services etc. as stipulated therein. Sub-Section (5) of Section 80IA further provides as under :

"Notwithstanding anything contained in any other provision of this Act, the profits and gains of an eligible business to which the provisions of Sub-Section (1) apply shall, for the purposes of determining the quantum of deduction under that Sub-Section for the assessment year immediately succeeding the initial assessment year or any subsequent assessment year, be computed as if such eligible business were the only source of income of the assessee during the previous year relevant to the initial assessment year and to every subsequent assessment year up to and including the assessment year for which the determination is to be made".

In the above Sub-Section, which prescribes the manner of determining the quantum of deduction, a reference has been made to the term 'initial assessment year'. It has been represented that some Assessing Officers are interpreting the term 'initial assessment year' as the year in which the eligible business/manufacturing activity had commenced and are considering such first year of commencement/operation etc. itself as the first year for granting deduction, ignoring the clear mandate provided under Sub-Section (2) which allows a choice to the assessee for deciding the year from which it desires to claim deduction out of the applicable slab of fifteen (or twenty) years.

The matter has been examined by the Board. It is abundantly clear from Sub-Section (2) that an assessee who is eligible to claim deduction u/s 80IA has the option to choose the initial/first year from which it may desire the claim of deduction for ten consecutive years, out of a slab of fifteen (or twenty) years, as prescribed under that Sub-Section. It is hereby clarified that once such initial assessment year has been opted for by the assessee, he shall be entitled to claim deduction u/s 80IA for ten consecutive years beginning from the year in respect of which he has exercised such option subject to the fulfillment of conditions prescribed in the section. Hence, the term 'initial assessment year' would mean the first year opted for by the assessee for claiming

deduction u/s 801A. However, the total number of years for claiming deduction should not transgress the prescribed slab of fifteen or twenty years, as the case may be and the period of claim should be availed in continuity.

The Assessing Officers are, therefore, directed to allow deduction u/s 801A in accordance with this clarification and after being satisfied that all the prescribed conditions applicable in a particular case are duly satisfied. Pending litigation on allowability of deduction u/s 80 IA shall also not be pursued to the extent it relates to interpreting 'initial assessment year' as mentioned in Sub-Section (5) of that section for which the Standing Counsel/DRs be suitably instructed.

The above be brought to the notice of all Assessing Officers concerned."

5. Therefore, admittedly, the second question of law is covered by the above circular. Hence, the appeal deserves to be dismissed.

6. Accordingly, the above tax case appeal is dismissed.

7. But, we cannot resist our temptation to record one more fact. If an issue is covered by the judgment of the High Court, it is always open to the Department to take it on appeal to the Supreme Court and get the law settled once and for all. But, once a decision is taken at the level of the Board, we do not know why repeated appeals should be filed, only to meet with the same fate as that of a decision, on which, a circular has been issued. The Department shall take note of this for future guidance.
