O R D E R

(Order of the Court was made by T.S.Sivagnanam, J.)

The petitioner has filed this writ petition praying for
issuance of writ of mandamus to direct the second respondent to
consider his representation dated 16.12.2015. In the said
representation, the petitioner has raised an objection regarding
establishment of a gas godown by respondent Nos.9 and 10. The
petitioner would state that representation has been given by the
residents of the area stating that the norms which are to be
adhered to, have not been followed and that the gas godown is to
be established in the residential area.

2. Since this Court is disposing of the writ petition at
the admission stage without notice to respondent Nos.9 and 11,
the merits of the allegations made by the petitioner are not
gone into. However since the representation is pending
consideration before the second respondent, the learned
Government Pleader submits that the second respondent may be
directed to consider the representation on merits and in
accordance with law.

3. In the light of the above, there will be a direction
to the second respondent to consider the representation of the
petitioner dated 16.12.2015 on merits and in accordance with
law, after notice to respondent Nos.9 and 11 and pass a reasoned
order within a period of four weeks from the date of receipt of
the copy of the order.

4. The writ petition is disposed of in terms aforesaid.
No costs.
