ORDER  
(Order of the Court was made by the Hon'ble Chief Justice)

The petitioner, who happens to be a MBBS Graduate, seeks to intervene and determine how Selvi J.Jayalalitha, Hon'ble Chief Minister, who is undergoing treatment in Apollo Hospital, should be treated.

2. It is her view that there should be a Committee appointed to look into her medical health and the Court should monitor it.

3. We completely fail to understand the intervention sought to be made by the petitioner in the matter of this nature and it is for the concerned people to determine the nature of treatment. It is one more publicity interest litigation.

The petition is dismissed. No costs.
