The issue involved in these writ petitions is that since the petitioners underwent Apprenticeship Training according to the learned counsels for the petitioners, they need not appear for the written examination for recruitment to the post of Assistant Engineers (Electrical, Mechanical and Civil) that is scheduled to be held on 30.01.2016.

2.The issue as to whether the petitioners can get exemption in writing the aforesaid written examination, which is a part of the selection process for recruitment to the post of Assistant Engineers, could be decided only during the final hearing of the writ petitions.

3.Hence, the petitioners have to appear for the written examination that is to be held on 30.01.2016. It is needless to state that if the petitioners succeed in the main writ petitions, then, the appearance of the petitioners in the aforesaid examination would have no effect.

W.M.P (MD) Nos.1520, 1522 and 1654 of 2016 are disposed of accordingly.
