3. In the affidavit filed in support of the interlocutory application the petitioner indicated that the first respondent had already passed an order dated 01.12.2015 sealing the premises in question. The first respondent subsequently, passed an order dated 26.02.2016 removing the lock and seal for a period of six months, for the purpose of removing the deviations. The petitioner after obtaining such an interim order, filed the Writ Petition to forward the regularization application stated to have been filed by his predecessor-in-title on 26.12.2002, with an ulterior motive to continue to occupy the premises without removing the deviations.

4. We do find any reason to injunct the second respondent from taking coercive action in respect of the building bearing Old Door No.9, New No.13C, Royals Road, Cantonment, Trichy, pending disposal of the Writ Petition.

5. In the upshot, we dismiss the miscellaneous petition.
