4.The facts leading to the filing of this Writ Petition run as under:

The petitioner has been appointed as Leprosy Inspector on 11.03.1988 and he was working as Health Inspector Grade-I from 01.08.1997. After working as Health Inspector Grade-I for several years at the Government Primary Health Centres, he was given promotion to the post of Non-Medical Supervisor on 09.03.2015. The post of Health Inspector Grade-I has been recently re-designated as Multipurpose Health Supervisor. The petitioner has rendered his services without any blemish for the past 29 years.

5.It is the grievance of the petitioner that several batches of Non-Medical Supervisors are sent for Health Educator training, based on the date of joining as Non-Medical Supervisor and the previous batch has completed the training and the petitioner is waiting in line as the next person. So saying, the petitioner sent a representation dated 15.06.2016 to the second respondent and the same is pending.

6.The learned counsel for the petitioner would submit that it is open to the second respondent to pass any orders on the representation sent by the petitioner, but the representation itself has not been considered, even though the representation has been submitted in the month of June, 2016, i.e., on 15.06.2016.

7.The learned Special Government Pleader appearing for the respondents submitted that it is agreeable for the respondents to consider the representation of the petitioner, in the light of the eligibility and to pass appropriate orders within a period of one month.

8.Recording the submission made by the learned Special Government Pleader appearing for the respondents, the second respondent is directed to consider the representation of the petitioner dated 15.06.2016 and pass orders on merits, in accordance with law and in the light of the eligibility, within a period of one month from the date of receipt of a copy of this order.

9.With the above direction, this writ petition is dispose of. No costs.
