[Order of the Court was made by **S.NAGAMUTHU, J.**]

The petitioner has come up with this Writ Petition under the guise of a Public Interest Litigation, seeking a direction to the first respondent to constitute a Committee of qualified persons to inspect and enquire about the transactions made from the year 1997 in the process of the Hi-Tech Industrial Park project in Nanguneri Taluk, Tirunelveli District and the structure and functioning of the Companies and private parties involved therein and file a report, within a time stipulated by this Court.

2. This Writ Petition has come up today for admission. This Writ Petition does not deserve any merit at all. The prayer is so innocuous and vague. The petitioner has made allegations against few Companies. The said Companies are not before this Court. Further, he wants a Committee to be constituted. If that is so, what is the Committee to be constituted under what law and with what powers, have not been stated. He has further stated that the Committee should comprise of qualified persons. What is the qualification also has not been stated. Where is the qualification prescribed is also not stated. Thus, the petitioner has filed the present Writ Petition only with vague allegations, which results no consideration. The Writ Petition is, therefore, dismissed. No costs.
