5. In view of the aforesaid Division Bench judgment, the transport corporations ought to have settled the terminal benefits of its employees on its own, without driving them to file individual writ petitions. But the transport corporations have not done so and a large number of writ petitions are filed every day.

6. In these circumstances, this Court has evolved a formulae in issuing direction to pay the terminal benefits in twelve equal monthly installments to the persons who retired in 2015; nine equal monthly installments to the persons who retired in 2014; six equal monthly installments to the persons who retired in 2013 and five equal monthly installments to the persons who retired before 2013. This Court has also issued direction to pay interest as per the direction of the First Bench of this Court referred to above.

7. In these circumstances, the writ petition is disposed of with the following directions:-

"(i) Taking into account the fact that the petitioner retired in 2015, a direction is issued to the transport corporation to settle the terminal benefits of the petitioner that are yet to be settled, in nine equal monthly installments.

(ii) The first installment shall commence by making payment on or before 10.02.2016 and the amount in each of the remaining installments shall be paid on or before 10th day of every succeeding month.

(iii) The said terminal amount shall carry interest @ 6% per annum as per the Division Bench judgment referred to above. In case of delay in making installments, the interest payable could be 18% for the delayed period".

8. The aforesaid direction to settle the terminal benefits would not preclude the workman to question the computation of any of the terminal benefits, if the same is paid lesser than the amount to which, he is entitled to receive. Likewise, if the petitioner has any grievance that he is entitled to interest for the amount already settled, he can agitate the same as per law, if he is entitled. No costs.
