[Order of the Court was made by **S.NAGAMUTHU, J.**]

The petitioner has come up with this litigation by way of Public Interest Litigation seeking the following relief:

"Writ of Mandamus, directing the respondents to conduct a detail enquiry regarding the approval admission in respect of staff strength, infrastructure of the 7th respondent college vide the petitioner's representation dated 25.09.2016 and take appropriate action if any deviations found place as per law."

2. This Writ Petition has come up today for admission. We have heard the learned counsel for the petitioner and Mr.M.Govindan, learned Special Government Pleader, taking notice for the respondents 1, 5 and 6. We have also perused the records carefully.

3. A perusal of the affidavit filed in support of the Writ Petition would go to show that there is no public interest, which is projected in this Writ Petition and it appears to be a private interest litigation. If the petitioner has got any grievance regarding staff strength approved by the Government, he can very well challenge the same. If he has got any grievance regarding the approval given based on the infrastructure available, it is for the petitioner to challenge that also. In a vague manner, the petitioner has come up with this Writ Petition Therefore, the

relief sought for by the petitioner in the present Writ Petition cannot be granted. The Writ Petition is, accordingly, dismissed. No costs.
