2. Even though the private parties are also arrayed as party respondents 3 to 8 in this writ petition, in view of the limited scope involved in the present case, this court is of the view that this writ petition can be disposed of, without issuing notice to the private respondents and also not by affecting their interest in any manner.

4. The petitioner seeks for survey of the above said land, it appears from the affidavit filed in support of the writ petition that the private respondents are claiming some right over the said land, which according to the petitioner, is not sustainable. This court, at this stage, is not inclined to express any view on the claim made by the petitioner as she has already made a representation to the respondents on 26.09.2016, seeking for survey. Thus, the second respondent shall consider the representation of the petitioner and hear the petitioner as well as the private party respondents and pass orders on the representation of the petitioner on merits and in accordance with law, within a period of twelve weeks from the date of receipt of the copy of this order.
