ORDER

The writ petition has been filed for issuance of a Writ of Mandamus directing the respondents to consider the representation dated 12.02.2016 to give weightage marks for their working experience (6-14 years) in Tamil Nadu AIDS Control Society on contract basis, within a stipulated time.

2.Heard the learned counsel appearing on either side.

3.The case of the petitioners is that they were originally appointed as Lab Technicians in various departments on contract basis by the Tamil Nadu AIDS Control Society. Thereafter, the Member Secretary of Medical Services Recruitment Board has issued a notification No.8/MRB/2016, dated 31.01.2016 inviting applications for the post of Lab Technicians (Grade-II). According to the petitioners without regularising their services, the respondents are going for a regular recruitment process. The grievance of the petitioners is that they should have been given priority as they have got enough experience or they should be given at least weightage marks as it is done in the case of the Teachers' recruitment. A representation is said to have been made on 12.02.2016, in this regard, to the respondents by the petitioners, which is pending consideration.

4.Considering the grievance of the petitioners, this Court, without going into the merits of the claim of the petitioner, is constrained to direct the respondents to consider the representation of the petitioners, dated 12.02.2016 and pass orders on merits and in accordance with law, within a period of two weeks from the date of receipt of copy of this order.

5.With the above direction, this writ petition stands disposed of. No costs.
