The petitioner has filed this writ petition challenging the notice issued to the petitioner calling upon him to appear for an enquiry on 30.03.2016 at 04.00 p.m. with respect to certain complaints received against the petitioner and also about the medical leave taken by the petitioner.

2.This Court finds no reason as to why the petitioner has rushed to this Court at this stage of the proceedings. In fact, the petitioner has given a representation to the respondents on 14.03.2016 seeking details about the charge memo and the documents which are going to be relied upon by the respondents during the proceedings.

3.Learned Additional Government Pleader appearing for the respondents would submit that if the petitioner had appeared on 31.03.2016 for the enquiry in person, they would have furnished the documents as sought for by the petitioner.

4.The contention of the petitioner is that this is for the second time for the same allegations, the charge memo has been issued. Even assuming for a moment, it is true, it is open to the petitioner to submit his explanation and come out of the charges.

5.In the above conspectus of the case, the petitioner is directed to appear before the authorities concerned for enquiry which is now adjourned *sine die*, on 11.04.2016 at 04.00 p.m. The respondents shall furnish necessary documents based on which the charge memo has been issued to the petitioner on the date fixed or before that to enable the petitioner to submit his detailed explanation. In all probabilities, the enquiry should be completed on or before 06.05.2016.

6.The writ petition is disposed of in the above terms. No costs. Consequently, W.M.P(MD)No.5547 of 2016 is closed.
