Prayer : Petition filed under Article 226 of the Constitution of India praying for issuance of a Writ of Mandamus, directing respondents to consider the petitioner for appointment on the basis of compassionate grounds.

For Petitioner

ORDER

The petitioner has come up with the above writ petition seeking for the issue of a writ of mandamus, to direct the respondents to consider his case for appointment on compassionate grounds.

2.It is stated that his father was working as pumpman with the second respondent sugar mill died in harness on 17.01.1994. Though it is stated by the petitioner that he had made an application for appointment on compassionate grounds within three years from the date of his father, no supporting documents were produced in the typed set of papers filed in support of this writ petition.

3.It is settled principle that the appointment on compassionate grounds is not a matter of right. There are several Government Circulars which specifically prescribe that the dependent of a Government servant can seek appointment on compassionate grounds within three years from the date of death of the

Government servant and the minor can seek for such appointment within three years from the date of majority.

4. In the case on hand, the petitioner has not applied within the time prescribed for such appointment and no proof has been filed for submission of application for appointment on compassionate ground. Therefore, the writ petition is not maintainable and the same is dismissed. No costs.
