ORDER

Petitioner/plaintiff filed a petition under Order VII Rule 14 CPC praying the Court to receive the documents, which was rejected by the order impugned.

2. The trial Court considered the plea raised by the petitioner with reference to the justification to bring on record the documents 8 years after institution of the suit. The trial Court noticed that at the stage when the suit was coming up for arguments, petition is filed and no cogent reasons were assigned in causing such undue delay in presenting the documents, more so, when a plea was specifically raised in the suit.

3. I do not see any error in the decision arrived at by the trial Court warranting interference by this Court.

4. The Civil Revision Petition is, accordingly, dismissed. There shall be no order as to costs. Miscellaneous petitions, if any, pending in this revision shall stand dismissed.
