The issued, subscribed and paid up capital of petitioner company as on 30.06.2015 is Rs.514,786,090, divided into 51,478,609 equity shares of Rs.10/- each. of share capital or share premium account in the manner permitted by law. The details of share pattern are set out in paragraph 6 of the company petition and after perusing the accompanying annexures, this Court is of the view that those details need not be adverted to.

The petitioner company for the following reasons proposed to reduce the share capital:

“The Company has turned operationally profitable in past years and is expecting to have reasonable profitability and cash surplus in future, which could sufficiently meet requirements of the business. In view of this, the Company intends to return excess capital to its shareholders.

Thus from a financial perspective, it is proposed to reduce the paid up equity share capital through reducing the amount paid up on each equity share with nominal value of Rs.10/- (Rupees ten only) each to one Equity Share with nominal value of Rs.4.50 (Rupees four and fifty paise only) each. The reduction in paid up value from Rs.10 per share to Rs.4.50 per share is sought to be paid out in cash to the shareholders.”

On 20.10.2015, the extraordinary general body meeting of shareholders was convened. Special resolution accepting the proposed reduction of share capital was passed as Special Resolution No.C-71533012.

The petitioner company further averred that the proposed reduction of share capital and utilization of the share premium account will in no manner prejudice the creditors of the petitioner company, for the creditors are being paid respective dues on time without either default or delay. The list of creditors as on 20.10.2015 is filed as Annexures J1 & J2 and while considering reduction of share capital, it is stated that sufficient provision for the debts shown in Annexure J1 is made. It is further stated that the petitioner company having regard to the available surplus cash balance intends to reduce the share capital and accordingly resolved in the meeting held on 20.10.2015. The reduction is not going to adversely affect the liability or obligation of the petitioner company in any manner. The learned counsel appearing for the petitioner has drawn the attention of the Court to all the resolutions, details of creditors and the provision made to meet the claims of these creditors and submits that the proposed reduction of share capital is treated equitably to all the share holders. The shareholders in the general body meeting have not only appreciated the proposed scheme of reduction of share capital but also have taken a well informed judgment accepting the proposal and the interests of creditors are properly safeguarded.

This Court by order dated 18.02.2016 ordered publication of notice in two newspapers viz., Business Standard and Eenadu of Vizag Edition. In pursuance thereof, the petitioner has carried out publication and filed proof of publications. Learned counsel for the petitioner submits that he has not received any claims or objections in response to the publication.
