WRIT APPEAL No. 407 OF 2016

PC: (per the Hon'ble the Acting Chief Justice Dilip B. Bhosale)

Heard learned counsel for the parties.

The order impugned in the instant appeal is dated 20-10-2014. By this order, the statement of learned Standing Counsel for Municipality was recorded. He had assured the Court that necessary action will be taken within a period of six weeks from the date of receipt of a copy of the order in respect of the construction made in the parking area. Accordingly, action was initiated by issuing a show cause notice.

Learned counsel for the appellants submits that the appellants have challenged the said notice in a suit and obtained interim order therein.

In view thereof, this appeal, in our opinion, has rendered infructuous and dismissed as such.

Miscellaneous petitions, if any, also stand disposed of.
