

**HON'BLE THE ACTING CHIEF JUSTICE DILIP B.BHOSALE
AND
HON'BLE SRI JUSTICE S.V.BHATT**

W.A.No.675 OF 2015

PC: *(Per the Hon'ble Sri Justice S.V.Bhatt)*

Heard learned Advocate General (TS) for the appellant and Mr.Sriram, learned counsel for respondent-college/institution.

On 30.12.2015, we have directed re-inspection of respondent-college by the University and the Assistant Registrar of this Court and file report by 05.01.2016. The reports of the University and the Assistant Registrar are placed on record. We have perused the reports.

The subject matter of the writ appeal is confined to B.Tech, ECE course. The latest reports of University and the Assistant Registrar disclose that the respondent-college has removed the deficiencies pointed out by the Joint Inspection Report insofar as B.Tech ECE course is concerned and the learned Advocate General, having regard to the status of compliance by the respondent-college, fairly states that the respondent-college ought to be allowed to continue students admitted in B.Tech ECE for the academic year 2015-16. Accordingly, insofar as B.Tech ECE course is concerned, the 1st respondent-college is permitted to continue the course for the academic year 2015-16.

With the above directions, the appeal is disposed of. It is needless to mention that the order impugned in the writ appeal renders ineffective insofar the respondent-institution/college in W.P.No.20388 of 2015.

It is made clear that for the ensuing academic year, it is open to respondent-college to apply for affiliation/approval for the courses it intends to run in its college and the request would be considered in accordance with law and appropriate orders are passed by the competent authority before the academic calendar commences.

Consequently, miscellaneous petitions, if any pending, also stand disposed of.
