This is an application under section 11(6) of the Arbitration and Conciliation Act, 1996 for appointment of an Arbitrator to adjudicate upon the disputes and differences between the parties.

2. The respondents' objection is that the final claim has not even been submitted. The respondents are under the arbitration clause entitled to appoint the Arbitrator. In one of the connected matters, the respondents have already appointed an Arbitrator in exercise of their rights to do so under the arbitration agreement.

3. This petition is, therefore, disposed of by granting the respondents liberty to appoint the Arbitrator subject to the petitioner's submitting its claim by 15.01.2017.
