MAHESH GROVER, J.

The petitioner has alleged violation of the orders dated 26.7.2013 warranting issuance of tender notices after an expert committee submits its report to the State Govt.

The report was submitted on 25.11.2013 but notices were issued by the respondents on 7.11.2013 which was in violation of the directions given by this Court. Consequently, these notices were withdrawn and fresh notices were issued where various interested persons have participated.

If that be so then no further orders need to be passed.

Hence, dismissed.
