This is a petition seeking initiation of contempt proceedings for violation of order dated 21.10.2016 passed by this court. Plea of the petitioner is that orders of status quo have been violated by the respondents. He has referred to certain litigation annexed with the petition. Admittedly, revision is still pending before court concerned. This court is unable to express any opinion on the merits of the case merely on the basis of photographs. No interference in the contempt jurisdiction is made out.

Dismissed.
