K. KANNAN J. (ORAL)

1. The grievance of the petitioner is that the Arbitrator has allowed for a revised claim to be made at the instance of the respondent even without an application therefor. I cannot find this to be matter of substance and it is purely prcedural. If the petitioner has any grievance for additional claim which is made, he is entitled to make his objection to the claim made by the respondent and it cannot be a matter for a challenge in revision petition.

2. The revision petition is dismissed with the liberty as aforesaid.
