CM No. 15510-CII of 2016

This application has been filed for preponing the date of hearing.

Heard.

In view of the reasons mentioned in the application, the present application is allowed and the main revision petition is taken up today itself.

CR No. 2273 of 2015.

This revision petition has been moved against the order dated 18.12.2014 passed by the learned Civil Judge (Jr. Division), Kapurthala, vide which the application moved by the petitioner for amendment of the plaint, correction of the judgment and decree has been dismissed.

2. The perusal of the impugned order shows that even in the application moved by the petitioner for correction of the judgment and decree, the wrong date of the adoption deed was mentioned. So, the learned trial Court had no other option, not to dismiss the application due to wrong dates mentioned in the application. Thus, there is no illegality in the impugned order.

3. Therefore, the present revision petition is hereby dismissed. However, the petitioner shall be at liberty to move the fresh application before the learned trial Court with better and correct particulars.
