1. Mr. Gopal Krishan Singh, Commissioner, Municipal Corporation, is present in court. I have elicited from him that they will not allow for any construction to be made at the instance of any person till duly authorized by a lease and after sanctions are given for putting up construction. I record this statement and find that there is no scope for interference with the order that is already passed. It will be open to the petitioners to approach the court for any modification of the order on producing any document

authorizing construction or change of circumstances and if such application is filed, the plaintiff will have appropriate occasion to give its reply and the court will take an independent decision thereon.

2. Revision petition is disposed of on the above terms.
