Vide award dated 20.12.1996, the Labour Court ordered the reinstatement of the workman with continuity of service with full backwages. This award was challenged by the management by way of the present writ petition. Initially, the operation of the Labour Court award was stayed subject to compliance of Section 17-B of the Industrial Disputes Act. However, the said stay was vacated on 27.02.2007.

Notice was ordered to be issued to respondent No.2-workman. As per office report, the notice has been received back with the report that respondent No.2 has since expired four years back. No LR's have been brought on record. The stay was vacated and now the report is that respondent No.2-workman has since died. On the aforesaid facts we are of the opinion that case be consigned to records. We order accordingly.

However liberty is given to the parties/LR's, if any, to get the case revived in accordance with law, if circumstances so exist.
