Vs.

State of Haryana and anr.

.....Respondents

CORAM: HON'BLE MR. JUSTICE M.M.S. BEDI.

Present:- Mr.S.S. Sahu, Advocate
for the petitioner.

M.M.S. BEDI, J. (ORAL)

Bail had been granted to respondent No.2 in a private complaint.

This is a petition for cancellation of the bail, inter-alia on the ground that accused- respondent No.2 has been taking steps to threaten the witnesses and to tamper the evidence.

Counsel for the petitioner relies upon a complaint annexure P-3 submitted to SHO, Police Station City, Tohana.

After considering the facts and circumstances of the case and the nature of the allegations against respondent no.2 and he having been

granted concession of pre-arrest bail in a private complaint, I do not deem it appropriate to cancel the bail at this stage especially when the petitioner has already approached the concerned police official for an action for the alleged criminal intimidation by the accused- respondent No.2.

Dismissed. However, the petitioner may seek appropriate legal remedy for any substantive offence, if any, committed by respondent No.2.
