Kuldip Singh J.(Oral)

Learned counsel for the petitioner contends that in this case on the orders of this Court, FIR No.180, dated 25.05.2015 has already been registered against seven persons.

It is further contended that some other persons are also involved and police are not investigating against them on the plea that there is no direction to investigate the case against them.

In these circumstances, the present petition is disposed of with the observation that once the FIR is registered, the police is to carry out the investigation. It is always open to the police to find out, who is involved or not involved in the crime notwithstanding with the fact that any particular person is named in the FIR or not. This is for the police to carry out the investigation, in accordance with law.

Disposed of.
