When the writ petition was admitted on May 27, 1997 following order was passed by the Motion Bench:

“Respondent Nos. 1 to 4 were proceeded against ex-parte on May 8, 1996 as they did not appear despite service. Respondent No. 5 is not being served, despite repeated efforts. The office report is that he is not residing at the given address.

On March 12, 1996, i.e. more than one year back the operation of the impugned order at Annexure P.6 was stayed. The very fact that respondent No.5 has not come for opposing the continuance of stay it seems that he is not interested. Consequently, we admit this case to regular hearing.

Interim directions dated March 12, 1996 to continue.”

The case has been placed before us to explore the possibility of amicable settlement by way of compromise. Respondent No.5 remained unserved. So far as writ petitioner is concerned, in the report it is stated that he has sold the property and has shifted to some other place. Mr. Johri Lal,

Patwari of the concerned area has placed on record the statement on behalf

of respondent Nos. 1 to 3 filed by Deputy Collector, Fatehabad Water Services, Division, Fatehabad dated 31.5.2016 in which it has been mentioned that one Mr. Ram Kumar s/o Mr. Mansha Ram is the owner of the land in question now. Ram Kumar has filed an affidavit dated 27.5.2016 that he had purchased the land in question from Sh. Gurbachan Singh, the petitioner in the writ petition and he has no dispute regarding the warabandi and has stated that the writ petition be disposed of accordingly.

The writ petition is disposed of as having been rendered infructuous and the same is consigned to record-room with liberty to the parties to get the case revived, in accordance with law, if circumstances, so exist.

Copy of the order be given to learned counsel for the parties.
