This appeal has been largely rendered infructuous on account of the decision of the respondents accepting the offer made by the appellants. On 02.12.2015, decision by the respondents was taken on record, which may be extracted hereinbelow:-

“ It is intimated that a detailed report has been received from Chief Administrator, HUDA, Panchkula on 30.11.2015. As recommended by CA, HUDA, a proposal has been submitted by the Department to the Government to acquire the land of the petitioner measuring 302.50 sq yd only which falls under allotted/constructed plots no. 477, 498, 499, 500, 501, 502 & 503 and 30' wide road and release the remaining land measuring 605 sq yd land [falls under plots no. 476A & 476B (360 sq yd) including vacant land measuring 245 sq yd adjoining already excluded land (302.50 sq yd) total

(360+245=605 sq yd)] in favour of the petitioner. The land to be retained by the Department is shown in yellow colour on the map and that is proposed to be released in favour of the petitioner is shown in sky blue & white colour. Therefore, it is requested to apprise the Hon'ble High Court accordingly and seek an adjournment for placing on record final decision of the Government. The case is listed for hearing on 02.12.2015.”

Pursuant thereto, we find that necessary steps have been taken by the Government to accord approval to the aforesaid process.

We, therefore, dispose of this Letters Patent Appeal as having become infructuous but with a further direction that in case any residual process remains to be completed, the same be done as expeditiously as possible but not later than two months from the date of receipt of certified copy of this order.
