

504 CWP No. 2343 of 2001 (O&M)

**GOETZE (INDIA) LTD V/S STATE OF PUNJAB AND
ORS.**

Present: None.

This writ petition has been filed by the Management challenging the order of the State Government (Annexure P-14) making a reference to the Labour Court under Section 10(1)(c) read with Section 2A of the Industrial Disputes Act. Further proceedings were stayed by the motion Bench. From the record, we find that no written statement had been filed by the workman-respondent No. 3 nor anybody had put in appearance on his behalf. We had also sent notice to respondent No. 3 but it has come back unserved with the report "incomplete address". We have no other address with us. More than 15 years have elapsed since the filing of the writ petition. It seems that respondent No. 3 is not interested any more in getting the matter decided.

Under these circumstances, we order that this writ petition be consigned to records with a liberty to the parties to get the case revived in accordance with law if the circumstance, so exist.
