**Amol Rattan Singh, J.**

Learned counsel for the petitioner submits that other than the fact that the petitioner has been in custody since November, 2015, in a case of abetment to suicide, though he alongwith two others people were named by the deceased as one of those who has ruined the deceased, eventually the deceased stated that he was fed up with his work and was therefore, taking his own life.

Learned State counsel on the other hand points to that part of the suicide note where the petitioner, along with others, has been referred to as the cause of ruin of the deceased. He further submits that out of 13 prosecution witnesses, 6 have been examined and 4 have been bound down for 16.07.2016.

Keeping in view that there are 7 more witnesses to be examined and the petitioner has already been in actual custody from 7 months, without making any comment on the contention of learned counsel for the petitioner, which would be gone into on merit by the learned trial Court, the petitioner is ordered to be admitted to bail to the satisfaction of trial Court/Duty Magistrate, Bhiwani, during the course of the trial.
