This is the second petition filed by the petitioner seeking anticipatory bail in FIR No. 56 dated 06.04.2010 registered at Police Station Har Sahai, District Ferozepur under Sections 406,498-A IPC.

The first application was dismissed for non-prosecution. Notice was given to the State only with respect to the maintainability of the petition and order in this regard was passed on 27.07.2016. On the adjourned hearing the counsel for the petitioner contended that the compromise had been effected but the complainant side had stated that the gold items and the car had not been recovered. The State Counsel had submitted that the delivery challan of that was available with them and it was the complainant side who purchased the car.

On the last hearing, the petitioner was directed to return Rs.3.7 lacs for the car and 08 tolas gold to the Investigating officer or to the complainant and interim bail meanwhile was granted conditionally.

The counsel for the complainant states that the husband of the complainant had been wrongly allowed bail by the trial Court and no recovery had been effected and the petitioner was given an opportunity as they wanted to settle and therefore conditional bail was given with a rider on the last date of hearing but they have not returned the amount.

The Investigating Officer is present in the Court and he states that no recovery had been effected, not even from the husband.

Keeping all the circumstances in view and since the petitioner has failed to comply with the order, the petition is dismissed.
