Zimni orders have been produced. It shows that one of the accused who has been convicted in another case is not being produced by the police and the production warrants have been issued. The case is at the stage of defence evidence. It appears that production warrants issued by the Court are not being taken seriously.

In view of the above, this petition is disposed of with the direction to the trial Court to complete the trial in the month of January, 2017 itself.

The State would ensure and give directions to the concerned jail authorities to produce the accused before the Court below on each date of hearing, without there being any default.

Copy of order be handed over to learned State counsel for necessary compliance. A copy of this order be also sent to the

trial Court for necessary compliance.
