M.M.S. BEDI, J. (ORAL)

This is a petition for quashing of the inquiry report in the cross-version case claiming that the petitioner is complainant in the main FIR but has been falsely implicated by the police in the cross-version.

With the assistance of counsel for the petitioner, I have gone through the statement of injured forming part of the inquiry.

Counsel for the petitioner has alleged that fake medical reports have been got prepared to falsely implicate the petitioner in the cross-version.

After hearing counsel for the petitioner and considering the facts and circumstances of this case in context to the judgment of **State of Haryana and others. Vs. Bhajan Lal**, AIR 1992 SC 604, I am of the opinion that the petition is premature and not maintainable as the prosecution has not even opted to present challan against the petitioner in the cross-version.

Without expression of any opinion on merits of the case, the petition is dismissed as not maintainable.
