M.M.S. BEDI, JUDGE (ORAL)

The petitioner is alleged to have given an iron rod blow on the head of the complainant, along with other members of unlawful assembly. The motive attributed to the petitioner is that the complainant had stopped the petitioner from taking intoxicants.

With the assistance of learned State counsel, I have gone through the medical record, indicating that the injury attributed to the petitioner is fracture of portion of zygomatic arch. The petitioner has been in custody w.e.f. 02.08.2016. As the challan has already been presented, no useful purpose will be served by keeping the petitioner in custody during the entire period of trial.

In view of the above, the petition is allowed. The petitioner is ordered to be released on bail on his furnishing bail bonds/ surety bonds to the satisfaction of the trial Court.
